Book

"The essence of resolution lies in the recognition of the deep and unbroken connectedness that we share as human beings." Isa Gucciardi's, *COMING TO PEACE*.

COMING TO PEACE reached #1 in Religion and Spirituality on Amazon within the first month of its release in the United States. Its success is due in no small part to the timeliness of the subject matter, popularity of the author, and the support it has received from luminaries in the field of psychology and spirituality.

"What Isa teaches in her remarkable book is a journey of mindfulness and self-acceptance—in short, true self-discovery through the path of compassion."

- Thupten Jinpa, Ph.D., Principal Translator to H.H. the Dalai Lama and author of *A Fearless Heart*

"Isa's Coming to Peace is just the ticket for these challenging times! It is both easily accessible... and profoundly transforming... I heartily recommend this book."
